

BRINGING BUSINESS TO YOU

CU Business Group (CUBG) is the premier provider of commercial lending, deposit, and consulting services to credit unions nationwide. As the largest business services provider in the credit union industry, CUBG currently works with more than 675 credit unions throughout the country.

Our staff of 65 business services professionals assists credit unions with commercial services programs in all stages – from those just starting out to established programs looking to advance or expand.

ABOUT CUBG

CUBG assists credit unions with commercial loans of all sizes, from small dollar, quick and low-cost Fast Track loans to large commercial real estate transactions.

In addition to underwriting, we provide commercial loan documentation, loan servicing, risk monitoring, and consulting services.

CUBG has an experienced team of SBA experts that can help your credit union navigate the SBA lending process and compliance.

We also offer consulting on business deposit account structures, pricing, and operations, as well as additional services such as merchant bankcard services, business remote deposit capture, ACH origination, and advanced cash management products.

Our team of experts has extensive knowledge and provides numerous educational opportunities on all aspects of commercial services. We also perform independent loan reviews to help credit unions maintain sound commercial lending portfolios.
