BENEFITS OF CUBG'S FAST TRACK

Easy Entry – Credit unions of any size, with or without a commercial lending program, can easily get started in offering small business loans.

Accessible – With a white-labeled, customized website for your credit union, businesses can find you and apply for a loan from anywhere, anytime!

Efficiency – Borrowers can complete and submit a full loan application package in 20 minutes or less and receive an answer within minutes or the next day.

Resources – Outsourcing smaller business loans allows your credit union to concentrate internal resources on larger loan requests. Fast Track loans can be processed, documented, and serviced in-house or through CUBG to free up resources.

Cost-Savings – A digital business loan application process can reduce credit union costs by as much as 82%.

EFFICIENT AND PROFITABLE DIGITAL PLATFORM

GROWTH

Your lenders can't work 24 hours a day, but your online application can!

SERVICE

A digital platform is your "cyber loan officer" doing the heavy lifting so you can work on relationships with SMBs, not the paperwork.

EFFICIENCY

Drive down costs to compete against the big Fintechs that are taking loan business from you!

RENEWALS/REVIEWS

No need to chase down paperwork for renewals – it can all be managed digitally.
